Lord Jesus Christ,  
You gave us the Eucharist as the memorial of Your suffering and death.  
May our worship of this sacrament of Your body and blood help us to experience  
the salvation You won for us and the peace of the Kingdom where You live  
with the Father and the Holy Spirit, one God, for ever and ever.  
Amen.  

The **Solemnity of Corpus Christi** commemorates the Eucharist;  
traditionally it falls on the Thursday after Trinity Sunday, although in some  
regions it is transferred to the following Sunday. In 2016, the traditional date  
of **Corpus Christi** falls on May 26th, while the Sunday after is May 29th.  

Since the Apostolic Church, Christians have been celebrating the Eucharist,  
the meal in which Christians receive the body and blood of Christ. Jesus instituted  
this holy meal on Maundy Thursday. Even though Christians have highly esteemed every  
sacrament, the Eucharist has traditionally held a special place among the sacraments.

Dear Parents  

Our year 6’s, along with some others involved in the Parish Catechist programme, participated in a  
Confirmation Retreat today. It proved a very worthwhile day with opportunities to grow in faith and  
learning regarding the Sacrament.  
Please keep the candidates in your prayers leading up to the reception of the Sacrament on  
Sunday 12th June.  

**Cross Country**  
The school will be holding its first cross country carnival on Friday. Children in years 3-6 will  
participate in a run over various distances according to age group. Thanks to Mr Dalton and all his  
parent helpers for their support in offering training opportunities for children before school. I’m sure  
those children who took advantage of the opportunity will benefit from making the extra effort.  
The carnival programme commences at 1:00 pm with the year 3’s and works through the age  
groups finishing with the year 6’s. Parents are encouraged to come along to school and support  
the children in this ‘character building’ event.  
The interschool cross country, for selected students, will be conducted on Friday 24th June.  

**Disco**  
Thanks to the P&F for organising the very successful children’s disco held last Friday night.  
Thanks also to the many volunteers who helped on the evening and the teachers that attended.

Chris Lamb  
Principal

KINDY 2017

Kindy interviews for 2017 are now completed however a few available places still remain.

If you have a neighbour, family member or friends that you know are interested in the possibility of a position in the school they should call into the office to collect an enrolment pack. Alternatively, we can post them out.

SICK CHILDREN

A lot of children are being sent to school when they are not very well. There are a lot of ‘bugs & viruses’ going around and sending children to school before they are better just passes germs around. Guidelines for time away from school are advised by your doctor.

Please do not send them until they have recovered.

CANTEEN NEWS – Sushi orders

Just a reminder; sushi MUST BE ORDERED at the office by Wednesday prior to the canteen being open.

Your child will be given an alternative for lunch if the order is not placed on time.

SCHOOL DISCO THANK YOU

On behalf of all the staff & children we would like to send a huge thank you to all the wonderful parents who assisted in making the disco a memorable event. It was wonderful to see so many helpers there.

Without the help of parents and community, events like this would not be held as often as they are.

P & F – BUNNINGS MINDARIE SAUSAGE SIZZLE

On Sunday 29th May the P & F are holding a Sausage Sizzle at Bunnings Mindarie (22 Lower Keys Drive Mindarie).

Please come along, say hi and bring your family and friends down to enjoy a sausage sizzle while raising money for our school.

Hope to see you there!
MATER DEI COLLEGE TOUR MORNING

On Friday 3rd June at 9 am, Mater Dei College will be conducting a Tour morning. If you would like to participate in a tour of the College grounds and find out about the enrolment process, then please contact our Enrolments Officer on 9405 4777 or register your interest in attending https://www.trybooking.com/LHXH

Mater Dei College is a co-educational Catholic secondary College located at 107 Treetop Avenue, Edgewater.

(Chairperson – Religious Education)
Developmental Disability WA, the Side by Side Project and the Disability Services Commission of WA are pleased to invite parents and other family members to come along and explore:

- Common myths about challenging behaviour.
- Why people behave in challenging ways.
- What is Positive Behaviour Support.
- Understanding each other (when challenging behaviour is in the way).
- How to develop plans for long term strategies which are going to be helpful.

This interactive workshop is being presented by a team of parents and professionals who have been working together and have identified real strategies of support that are achievable and lasting.

10.00AM—2.00PM
FRIDAY 17 JUNE 2016  ROCKINGHAM
MONDAY 27 JUNE 2016  PADDBURY
About the presenters:

Jodie Campbell—is a mum to three girls, one of whom has a rare genetic disorder, complex communication needs and displays challenging behaviour. Jodie and her husband Ian have worked intensely with the DSC Positive Behaviour team and have been involved in the Side by Side program since its inception. Jodie is also involved in the Malibu school parent networking group.

Debbie Lobb—is a behaviour support consultant working for DSC with over 20 years experience. She is passionate about helping people to see the person beyond the behaviour and to strengthen understanding about the reasons for challenging behaviour.

Craig McLver—is a clinical psychologist employed by DSC with experience in both disability and mental health. His work focus is practical application of positive behaviour support principles in collaboration with the people who matter in a persons life.

Jaquie Mills—is the parent of a young man with complex disability and challenging behaviours. She is currently project manager for a Family Leadership project hosted by DSC for families experiencing challenging behaviours.

Bronwyn Pike — Bronwyn has worked within a variety of human services with her focus on supporting individuals and families to plan, develop and self-direct their supports. Her current role has seen her working closely with families to co-design a family partnership model of support specifically targeted towards families who are living with challenging behavior.

Maggie Visser—is a mum to four children. Her son has a diagnosis of Autism and has complex communication needs and displays challenging behaviour. Maggie was an auditor on the complex communication needs course at ECU in 2015 and currently is

Does Your Child Need Help in Mathematics?

Our final year education students studying in the Primary programme and working under the guidance of mathematics education staff will be conducting support sessions for children experiencing difficulty in mathematics.

We are offering free places to children in Years 4 to 6, who attend schools where teachers mentor pre-service teaching students from Edith Cowan University. The support would involve four one-hour mathematics assistance sessions.

When: The program involves an initial test of approximately one hour and four subsequent one hour weekly sessions. This would require a sincere commitment to ensure that children attend all four one-hour sessions. The session dates and times are:

Initial Test: Wednesday 3rd August 4:30 to 5:30 pm
Workshops: Wednesday 10th August 4:30 to 5:30 pm
Where: These will be held at Edith Cowan University, Joondalup Campus, Building 8A, Room 306

If you wish to register interest or know more about the program, then please feel free to ring Helen Dixon on 6304 5485 (on a Monday, Tuesday, Wednesday or Thursday 9am-3.30pm) or email; h.dixon@ecu.edu.au. Places are strictly limited and will be filled on a first come first serve basis.
