

ST JOHN PAUL II CATHOLIC PRIMARY SCHOOL

Reconciliation Strategy

Review due 2021

In Harmony with our God,
St John Paul II Catholic Primary School community
is centred on Jesus Christ and shaped by the spiritual gifts of
unity, compassion and forgiveness.

St John Paul II Catholic Primary School acknowledges that the Aboriginal and Torres Strait Islander Peoples were the first inhabitants of Australia. Their cultures are as diverse as the land they belong to.

We recognise that there is a real need to reconcile with the aboriginal people. Reconciliation is a very important process recognising cultural traditions and values. It promotes the principles of inclusion, equity and justice. Therefore, as members of our community the Aboriginal people have the right to expect all followers of Jesus Christ as witnesses to the truth of the Gospel message to support them in their legitimate efforts towards development as a people seeking equity of dignity and opportunity in Australia.

In the spirit of walking together in Reconciliation and in accordance with our charisms of compassion, forgiveness and a desire for unity, St John Paul II Catholic Primary School will work towards the following

- Ensure that all Aboriginal and Torres Strait Islander families are welcomed into the school community.
- Will acknowledge the Noongar people as the original custodians of the land in which our school is built by
